April/May 2026 Program Guide

Director's Desktop: Declutter With Help From Your Library

**Executive Director
Becky Fyolek**

Spring has a way of inspiring fresh starts and maybe a little spring cleaning too. As you sort through closets and shelves, I invite you to remember one of the library's greatest benefits: you can enjoy wonderful things without having to keep them forever.

From bestselling books and magazines to movies, music, tools and more, the library is the ultimate clutter-free solution. You get all the enjoyment, learning and entertainment, and when you're done, you simply return it. No overflowing shelves, no buyer's remorse and real cost savings for your household. It's a simple way to support your budget while keeping your home lighter and more organized.

This spring also brings the reopening of our Seed Library! Whether you're an experienced gardener or just curious about trying a few tomatoes or herbs, the Seed Library is a free, fun way to grow something new. Check out seeds, plant them and, if you're able, save seeds to share back with the community. It's a perfect fit for the season of renewal.

This spring, let the library help you save money, reduce clutter, and rediscover the joy of borrowing. We can't wait to see you.
